WHO WE ARE

The **Breath Alcohol Testing (BAT) Mobile Unit Program** is operated by the **Forensic Tests for Alcohol (FTA) Branch** based in Raleigh with BAT Mobile Units located in designated regions across North Carolina. It is a multifaceted program with a mission to reduce the incidence of impaired driving by supporting law enforcement and raising public awareness.

WHAT WE DO

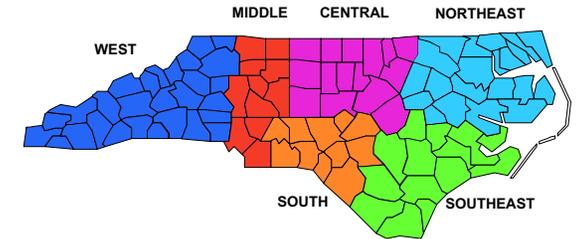

The **BAT Mobile Unit** is a highly visible deterrent against impaired driving. **BAT Mobile Unit Coordinators** provide support and resources to North Carolina law enforcement at DWI checking stations. They also serve as an educational resource at outreach events that allow the public to learn more about the dangers associated with drinking and driving, and driving while impaired.

THE **BAT** MOBILE UNIT IS FULLY EQUIPPED

- Intox EC/IR II breath alcohol testing instruments
- On-site magistrate's court to process arrestees
- Officer workstations
- Finger printing kit
- Wireless printer
- High intensity light towers
- Alcohol screening test devices
- Cellular phones
- Wi-Fi hotspot
- Lavatory
