Questions and Answers *(list all questions and answers in numerical order)*

1. Question: Are there specific people that need to be on the QI Team?
Answer: Clinic level staff need to be on the QI Team (i.e. Panel Managers, Practice Managers, Nurses, Providers) and a Quality Improvement Manager or Coordinator.
2. Question: Does the clinic level staff have to be a provider on the QI Team?
Answer: No, the clinic level staff does not have to be a provider.
3. Question: Do the providers need to be on every call?
Answer: Providers do not need to be on every call, but the QI Team needs the clinic champions involvement in the project.
